

SAVE A CHILD'S HEART

This year, Save a Child's Heart is honored to have been selected as the beneficiary for the 8th Annual Family Hockey Challenge presented by The Jordana Lokash Foundation.

Through our programs in Israel, we provide life-saving cardiac treatment to children from developing countries and train health care professionals from those countries to have the skills to deliver quality care in their home community. To date, Save a Child's Heart has provided care to over 5,000 children from 59 countries.

Our greatest achievement is that all the children, regardless of nationality, gender, religion, or financial consideration are treated with the finest medical care and cutting edge technology available today.

Your generous contributions from this year's hockey tournament will go towards providing the children's rehabilitation area at the new facilities with sports equipment. Play and physical activity are a big part of recovery and this sports equipment will be a source of endless fun and will contribute significantly to morale in the home.

Save a Child's Heart has contributed significantly to improving global health and saving children's lives and we cannot thank you enough for joining us as we continue mending hearts around the world.

M. Binder Byk

Executive Director

The Jordana Lokash Foundation

On behalf of The Jordana Lokash Foundation, I want to personally invite everyone to attend and participate in the 8th Annual Family Hockey Challenge.

This annual event lets parents and their kids play hockey together as teammates in a friendly, "for fun" tournament.

Not only does this day bring families together on the rink, it also lets everyone get involved with the fun room activities, entertainment, food, silent auction and marketplace, all in a fund-raising effort for a very worthwhile cause.

All proceeds from the event will be going to Save a Child's Heart, to provide and furnish a rehabilitation and playroom with sports equipment at the new Children's Hospital at the Wolfson Medical Center in Holon, Israel.

Each year, our success depends not only on the participants, but the sponsors, donors, volunteers, committee and everyone involved to help make it a very special day.

Thank you to all – we are looking forward to next year's event and hope you are too.

Paul Lokash
Chairman
